INFORMATION DISCLOSURE STATEMENT

Commissioner:

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicant hereby makes of record the documents listed on the attached Form PTO-1449, and encloses copies herewith. Also submitted is a copy of the published PCT International Search Report for the priority application PCT/GB98/03235. All references cited in the International Search Report are disclosed in the attached Form PTO-1449.

It is respectfully requested that the information above be expressly considered during the prosecution of this application and that the publications be made of record therein and appear among the "References Cited" on any patent to issue therefrom. In this regard, it is requested that the Examiner initial and return a copy of the enclosed Form PTO-1449 with the next Patent Office Communication.

This submission does not represent that a search has been made and does not constitute an admission that the listed documents are material to patentability or that the listed documents are prior art. If it should be determined that any of the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Officer the relevant facts and law regarding the appropriate status of such documents.

Jakobsen, et al.
09/560,494

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

This Information Disclosure Statement is being filed more than three months after the filing date of the application but before the mailing date of a first Office Action on the merits. Accordingly, no fee is believed to be due in connection with this statement.

However, the Commissioner is authorized to charge any fee deficiency or credit any overpayment to Deposit Account No. 08-0219.

Respectfully submitted,

Date: 10 November 2000
